### **CCT Venues' Canary Wharf East Wing Extension Opens For Business**

**CCT Venues**, the London conference and training specialist, is pleased to announce that its east wing extension is now open for business, offering eleven rooms on one floor and a delegate capacity of 275.

The main rooms have large windows, many with waterfront views, and there are two large waterside terraces, and a dedicated computer zone with PCs and free internet access. There will also be a second waterfront atrium restaurant and new, "fresh bean, fresh milk" self-serve coffee machines.

The east wing is a self-contained facility, allowing *CCT Venues-Canary Wharf* to be run as two separate suites, but it can also be converted into one large venue with 25 rooms on one floor, a delegate capacity of 495, four waterside terraces, and two restaurants with a combined capacity of 250.

The wing offers a wide range of facilities including free Wi-Fi access, the latest AV equipment, DDA compliance and good facilities for the disabled. The day delegate rate will be just £68.50 + VAT, with discounted rates for large bookings.

**Venue address:** CCT Venues-Canary Wharf, Walbrook Building, 195 Marsh Wall, London E14 9SH
