

# EVENT PACKAGE GENERATOR

**Answer the questions to find out  
what package is the right one for  
you**

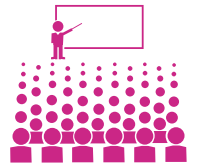

**Takes approx 1 min to complete**

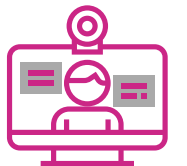

# 1. Are you interested in a Live, Virtual or Hybrid Event?

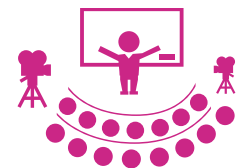

**a. Live (i.e. everyone is physically in the room with no streamed or hybrid elements)**

**b. Virtual (i.e. no live audience physically in the room, only online audience)**

**c. Hybrid (i.e. live and virtual audiences, large or small, interactive or non-interactive).**

**2. Would you like to host your live event within our dedicated event studio to make an impact and to achieve maximum audience engagement?**

**a. Yes**

**b. No, a meeting room would be fine**
